DISASTER UNEMPLOYMENT ASSISTANCE

The Disaster Unemployment Assistance (DUA) program is administered in Vermont by the Vermont Department of Labor.

What is Disaster Unemployment Assistance?

DUA provides assistance to individuals whose employment has been lost or interrupted as a result of a major disaster, such as the severe storms and flooding that occurred as a result of tropical storm Irene in Addison, Bennington, Caledonia, Chittenden, Franklin, Lamoille, Orange, Orleans, Rutland, Washington, Windham and Windsor counties. Weekly benefits are available to those individuals out of work due to the storms and floods, including self-employed persons, farm workers, maple sugar producers and others not covered under regular unemployment insurance.
