

# What is the total amount of the ARPA award for my town/city/village?

[Click here to access the Local Fiscal Recovery Fund Allocations](#)

County ARPA money was reallocated to Vermont's towns, cities and villages. It is no longer "county money" from Treasury's perspective - it is now your local ARPA award.

Funding will be distributed in two (2) roughly equal tranches. The first payment arrived August 2021; the second will arrive around the same time in 2022.
