The Vermont Agency of Transportation (AOT) [Municipal Assistance Bureau website](#) includes resources, links to grant programs, and materials for grant award management. Looking to fund a municipal transportation project? Read [Show Me The Money](#) to learn about AOT grant programs for municipalities. Want to avoid the stress of putting together a last-minute application? Review the [Annual Grant Program Timelines](#) to learn when AOT grants will be announced and awarded. Does your municipality already have a grant? Use the [VTRANS website](#) to link to common documents and templates used for grant awards. This one-stop spot for municipal transportation grants can help your municipality organize its grant writing activities and avoid a last-minute, application writing scramble.
