Delegate registration is separate from Town Fair registration. Signing up as a delegate does not register you for the full conference. Visit www.vlct.org/TownFair to see the full conference agenda and all of the attendance options. Attending *only* the annual meetings is free.

You must login to complete your registration.

Delegates can vote in the VLCT, PACIF, and/or VERB Annual Meetings.

One person can be designated to vote in all three, or a different individual can vote in each meeting. Only members of each respective entity can vote in that annual meeting.
