To meet the U.S. Department of the Treasury's annual April 30th reporting requirements for ARPA, VLCT developed two guides, which specifically help Vermont NEUs file their reports in Treasury's reporting portal - one to help designate necessary roles and the other to help complete and submit Project & Expenditure Reports. Both guides walk actual Vermont local ARPA award recipients (NEUs) through Treasury's portal process screen by screen, with pictures and written instructions. Just click on the images below or the top link in the box at left.
