

Small Community Resources for the Bipartisan Infrastructure Law

April 20, 2022

This week the White House released a new resource to help municipalities navigate finding and applying for funding from the historic Bipartisan Infrastructure Law, the [Bipartisan Infrastructure Law Rural Playbook](#).

In addition to the Playbook, and in response to requests for more information about the cost sharing waivers and other flexibilities on federal matching requirements, the White House released a list of over 100 programs with cost share or matching requirement waivers and flexibilities under the Bipartisan Infrastructure Law.
