

State of Vermont ARPA Funding Opportunities

October 28, 2022

The State of Vermont has created a one-stop-shop for all State Fiscal Recovery Fund (State ARPA) programs that are available to municipalities as eligible applicants. It can be found [HERE](#).

For each program this document provides the:

- Name of the overseeing state agency, department, or division
- Official program name
- Succinct narrative summary
- Point of contact name and email address
- Link to the website to learn more

This is an excellent resource for towns, cities and villages interested in leveraging their local ARPA awards.
