

**If my town/city/village
takes the standard
allowance for revenue loss
for our whole ARPA award,
then do we need to
demonstrate that we had
that amount in actual
revenue loss?**

No. Treasury **presumes** that revenue has been lost due to the public health emergency and recipients are permitted to use that standard allowance approach (not to exceed the award amount) to fund “government services.”

Treasury's methodology for determining the \$10 million standard allowance is discussed in the [final rule](#) on page 240; presumption is on page 249
