

**If my town/city/village  
takes the standard  
allowance for revenue loss  
for our whole ARPA award,  
then do we need to  
demonstrate that we had  
that amount in actual  
revenue loss?**

No. Treasury **presumes** that revenue has been lost due to the public health emergency and recipients are permitted to use that standard allowance approach (not to exceed the award amount) to fund “government services.”

Treasury's methodology for determining the \$10 million standard allowance is discussed in the [final rule](#) on page 240; presumption is on page 249
