

**Do I need to register with  
SAM.gov to be able to do  
my ARPA reporting due by  
April 30th?**

Registering with SAM.gov is a requirement of your ARPA award (see [Terms and Conditions](#), page 3, item 9.b.ii.), however you do not need to already be registered to access Treasury's portal.

More resources on registering with SAM.gov will be provided on the Treasury website.
