

VLCT Members Raise \$5,000 Golfing for Scholarships

July 03, 2023

By Ted Brady, VLCT Executive Director

More than 80 VLCT members and supporters participated in the Vermont Local Officials Golf Outing on June 28 at Killington's Green Mountain National Golf Course, Vermont's only municipally-owned 18-hole golf course. Thanks to the generous support of the golf outing's sponsors, VLCT raised more than \$5,000 for the newly launched [Municipal Service Scholarship](#) program, which will be administered by VSAC. The first \$2,000 scholarship will be awarded at next year's golf outing.

Despite the forecast, we got in 18 holes and lunch with only a brief sprinkle. Those who walked away with more than \$1,000 in prizes included:
