Will there be assistance for towns to repair public infrastructure?

Yes.

Vermont received a <u>Presidential Major Disaster Declaration</u> on July 14, 2023. Local governments in most counties will be eligible for 75% reimbursement for repairs to roads, bridges, and other infrastructure; local cost share will be 25%. The State of Vermont may contribute towards the local cost share of 25% using the <u>Emergency Relief Assistance Fund (ERAF)</u>. State contribution amounts are based on a municipality taking specific steps to reduce flood damage.
