VERMONT LEAGUE OF CITIES & TOWNS

Annual Report 2022

Dear VLCT Members,

Running a municipality is hard. Aging infrastructure, homelessness, public safety concerns, and incivility have pushed our limits and those of our residents. Your municipal association knows what you are going through, and we are working conscientiously to provide solutions.

- Launching our Federal Funding Assistance Program, we hired two municipal officials with experience chasing, writing, and managing state and federal grants to help you access the largest influx of federal infrastructure funding to land in Vermont in generations.
- Our advocacy team worked tirelessly to help bring attention to the housing and public safety issues that you and your residents face, resulting in state permitting reform and increased investment in infrastructure to facilitate housing growth.
- As you have increasingly been asked to consider how your community can address equity issues, we partnered with the promoters of the Declaration of Inclusion, launched the Welcoming and Engaging Communities Cohort, and supported municipal efforts in the Vermont Office of Racial Equity. Our Equity Committee enacted a three-year justice, diversity, equity, inclusion, and belonging workplan that we are implementing fastidiously.
- Finally, we are investing in our systems to improve your user experience. This includes new technology to manage our relationship with you and enhancing our website and our risk pools' online platforms.

Everything we do is governed by a five-year strategic plan that includes a cornerstone goal of growing a sustainable and relevant member-focused organization. If you are happy with the way we're headed, or if you're not, please reach out to me directly at tbrady@vlct.org or 800-649-7915.

You're doing hard and important work. I hope you agree that we make it easier.

Until next time,

Ted Brady
