## ARPA – The "Obligation" Interim Final Rule (IFR)

The U.S. Department of the Treasury has issued the **Obligation Interim Final Rule (IFR)** to address funding recipients' questions and comments regarding the definition of **obligation**. The Obligation IFR revises the definition of **obligation** in Treasury's implementing regulations for the SLFRF/ARPA program and provides related guidance to give additional flexibility and clarity to recipients to support their use of SLFRF/ARPA funds. We advise referring to Treasury's two-page "**Quick Reference Guide**" which informally summarizes the seventeen-page Obligation IFR and Obligation IFR <u>slide</u> **presentation**.
