

Intro to Family and Medical Leave Insurance Recording and Resources

This webinar introduces VLCT members to Vermont Voluntary Paid Family and Medical Leave Insurance (VT FMLI). This insurance began being offered only to employees of the State of Vermont on July 1, 2023 and will be open to all Vermont employers with two or more employees on July 1, 2024. It will be completely voluntary: employers can choose whether to offer these benefits to their employees.

VLCT hosted this webinar in conjunction with:

- Hickok & Boardman HR Intelligence (HBHRIQ) – our employee benefits broker partner
- The Hartford – the carrier selected to offer the insurance in Vermont
- The State of Vermont – the employer that has already been offering it as an employee benefit
