

Finding Your Zoom Link for VLCT Events

If a VLCT event you have registered for is being held virtually via Zoom, you will get an email from Zoom immediately after you register. You should copy the email to your calendar for easy retrieval.

You can also find your Zoom link in the MAP dashboard by following these steps.

1. Log in to your MAP Dashboard vlct.org/member-dashboard
2. Click "Events"

The screenshot shows the MAP dashboard for Lisa Goodell. The left sidebar has a yellow circle around the 'Events' icon. The main content area shows Lisa Goodell's profile, membership info, and a list of alerts and reminders. The 'Events' section is highlighted with a yellow circle.

3. Click "View Registration" to open the event you need the link for.

The screenshot shows the 'My Upcoming Registration List' page with three events listed. The third event, 'Open Meeting Law for Boards and Committees', has its 'VIEW REGISTRATION' button circled in red.

4. Click the button labeled → **Zoom Meeting Link**. The button will automatically open the Zoom meeting in a new window.
