

## For disasters declared beginning October 1, 2024, FEMA Public Assistance threshold requirements are:

- The State per capita indicator is \$1.89. The County per capita indicator is \$4.72.
- The Small Project threshold is \$4,000 minimum. The Large Project threshold is \$1,062,900.

You can find the history of thresholds at <u>Per Capita Impact Indicator and Project Thresholds | FEMA.gov.</u>

A brief explanation of these thresholds in VLCT's FEMA PA Threshold Update resource.
