

PACIF Distinctions and Programs

PACIF, the Property and Casualty Intermunicipal Fund of the Vermont League of Cities and Towns, is Vermont's leading provider of property & casualty and workers' compensation coverage to municipal entities. It is a member-owned risk-sharing pool that exists for the sole benefit of Vermont municipal entities, and PACIF staff work closely with members to learn their strengths and weaknesses as well as their requirements and concerns. Moreover, PACIF staff and board members continuously review PACIF coverage and services to most effectively meet members' needs and anticipate their potential challenges.

This summary helps all PACIF members understand the many aspects of PACIF coverage that make it stand out from regular insurance.

With PACIF, municipal officials and staff have the convenience of obtaining comprehensive workers' compensation and property/casualty coverage with extensive risk management and operational support – all from one place. We listen carefully when members share their coverage needs, and we closely monitor emerging trends in risk. **We work individually with each member to help them manage their present risks and prepare for the risks that lie ahead.**

Many of the key elements that distinguish PACIF from commercial insurers are explained here. As a member, your municipality can take full advantage of everything PACIF offers.
