Available to current PACIF members, 2026 PACIF Grants reimburse members for up to 50% of pre-approved purchases with the primary purpose of reducing the likelihood of PACIF claims. Applications are accepted and considered on a rolling basis from January 16 until all available funds have been awarded or October 31, whichever comes first.

Be sure to read the latest PACIF Grant Requirements document carefully before applying for a grant. Details of eligibility generally change from year to year, so it is important to understand the current year's requirements and expectations.
