

Annual Events & Training Schedule

VLCT offers a variety of trainings throughout the year. This listing is an overview that is **subject to change**. For details of currently available trainings and to register, please visit vlct.org/events. Most events are posted on the [events calendar](#) four or more weeks before they take place. Many of our trainings are also available on demand in the [VLCT Store](#).

On Demand Training

Most training in 2026 remains free thanks to grants from PACIF and the USDA. **Select trainings have a registration fee** to help cover costs that aren't eligible for grant funding. Please check the individual event page when registration opens for more information.
