Plow Rally Save the Date and Award Nominations

The Vermont Municipal Equipment Show & Field Day is May 7th this year.

We hope to see you there! Attendance applications will be coming out soon.

See the attached awards descriptions for 2025 and nominate an exceptional individual or department. There are both statewide and New England APWA Chapter awards. If you have a person or company that should be nominated for any of these awards please let Lisa Schaeffler, APWA President, know as soon as possible so the information can be provided to the awards committee.

There is also a First Responder award for anyone who has done anything heroic in 2024. (We know many public works and local government officials/staff are also in the local fire and rescue departments). Your hard work deserves to be recognized!
