(Sponsored Content)

Employee Navigator is a technology solution offered by Acrisure to centralize your HR records online and sync your employee data across multiple systems, including payroll, benefits, and time off.

What Employee Navigator Does

- Benefits Administration
- HR Management
- New Hire Onboarding
- PTO Tracking
- Asset Tracking
- Payroll Integrations
- Integrated COBRA

Features

Streamline Employee Management

Know instantly when enrollment events occur and minimize claim and billing issues.

Employee Self Service

Our easy-to-navigate self-service portal puts employees in the driver's seat.

Improve Employee Communication

Whether it's benefits, compliance, or company communications, employees are always in the loop.

All your Documents, Available on Demand

Once an employee uploads a document, that document is stored directly on the employee record.

Paperless

Paper forms and files are replaced by a centralized HR management console and employee portal that's always up to date.

Efficient

Manage your interactions for one place so you can spend more time growing your business and less time on manual processes.

Accessible

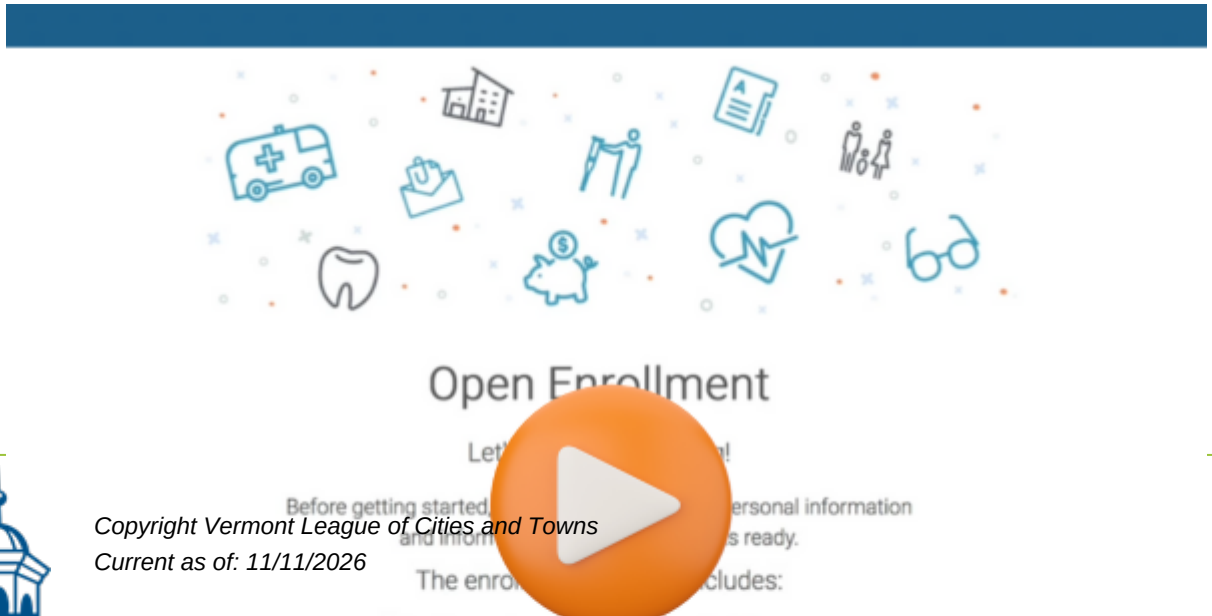

Help your employees help themselves by allowing HR and employees to find the information they need without having to call for support.

Control

Go beyond the basics and improve communication and engagement with quick access to reports and configuration tools.
