

# **Manage Human Resource Efforts from One Place**

*(Sponsored Content)*

Employee Navigator is a technology solution offered by Acrisure to centralize your HR records online and sync your employee data across multiple systems, including payroll, benefits, and time off.

# What Employee Navigator Does

- Benefits Administration
- HR Management
- New Hire Onboarding
- PTO Tracking
- Asset Tracking
- Payroll Integrations
- Integrated COBRA

## Features

### **Streamline Employee Management**

Know instantly when enrollment events occur and minimize claim and billing issues.

### **Employee Self Service**

Our easy-to-navigate self-service portal puts employees in the driver's seat.

### **Improve Employee Communication**

Whether it's benefits, compliance, or company communications, employees are always in the loop.

### **All your Documents, Available on Demand**

Once an employee uploads a document, that document is stored directly on the employee record.

### **Paperless**

Paper forms and files are replaced by a centralized HR management console and employee portal that's always up to date.

### **Efficient**

Manage your interactions for one place so you can spend more time growing your business and less time on manual processes.

## Accessible

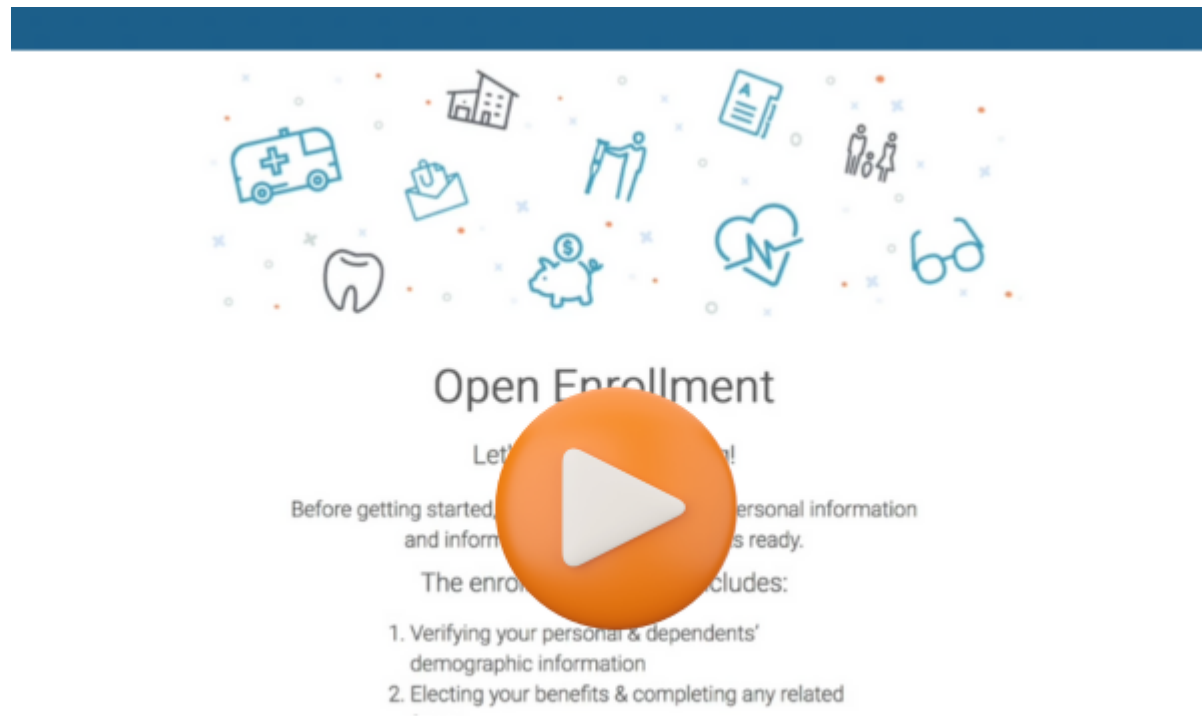

Help your employees help themselves by allowing HR and employees to find the information they need without having to call for support.

## Control

Go beyond the basics and improve communication and engagement with quick access to reports and configuration tools.
