**New Resource Alert:
Streamline Your
Highway/DPW Hiring
Process with VLCT's Step-
by-Step Guide**

The Vermont League of Cities and Towns (VLCT) is excited to unveil a comprehensive new resource designed to revolutionize how local governments recruit, onboard, and retain their Highway/DPW staff. Introducing the "[Highway/DPW Hiring Process Step-by-Step](#)" guide, your ultimate roadmap to building a strong, efficient, and future-ready team.

Why This Guide Matters: In today's competitive job market, attracting and retaining top-tier talent is more critical than ever. This guide empowers municipalities with effective strategies to navigate the complexities of hiring—from recruitment to building a robust staffing pipeline for the future.

What You'll Discover:

- **Recruitment Excellence:** Dive into a wealth of strategies for crafting engaging job descriptions, offering competitive compensation, and selecting the right recruitment channels. Learn how to leverage local partnerships and online platforms to reach a diverse pool of candidates.
- **Seamless Onboarding:** Ensure new hires feel welcomed and prepared from day one with comprehensive orientation sessions and mentorship programs. Regular

feedback loops are key to successful integration and long-term satisfaction.

- **Team Building & Retention:** Foster a collaborative environment with team-building activities, open communication, and a culture of recognition. Discover how competitive benefits and career development opportunities can significantly reduce turnover rates.
- **Future Staffing Pipeline:** Secure your town's future by establishing partnerships with training institutions and promoting career paths in local schools. Support apprenticeships and internships to cultivate a steady flow of skilled candidates.

Actionable Insights:

- Develop a structured onboarding process with checklists and welcome events.
- Plan quarterly team outings and implement suggestion boxes for continuous team engagement.
- Host informational sessions on Commercial Motor Vehicle (CMV) licensing and collaborate with local driving schools.

By following these step-by-step strategies, your municipality will be equipped to build a Highway/DPW team that not only meets today's demands but is also prepared for tomorrow's challenges. This guide is your key to ensuring operational excellence and community satisfaction.
