The ARPA Closeout Process Is Starting....

Vermont League of Cities & Towns

....but only by invitation!

Treasury has begun the early closeout process for ARPA (SLFRF) recipients. At this stage, only recipients **specifically invited** by Treasury may closeout their ARPA award. On September 10, 2025, approximately 100 municipalities across the country received invitations. Municipalities can begin preparing for the eventuality of this process by reviewing [this checklist](#)*.

If you were or are notified by Treasury and invited to closeout early, please let us know!
(email kbuckley@vlct.org)

***Please pay attention to the instructions on SAM.gov registrations in the [checklist](#).** Your municipality's SAM registration must be **ACTIVE** to closeout your ARPA award. Please take the time now to make sure your registration is active so this does not hold you up when the time comes to closeout....don't wait!
