Question Lead Time Ahead of Town Meeting

Members preparing for Town Meeting 2026 can access helpful templates and guidance developed by Municipal Assistance Center (MAC) staff. Our [Town Meeting Resources](#) page is your “one stop shop” for model warnings, model articles, FAQs, and our [Municipal Calendar](#) lists important deadlines.

The Municipal Assistance Center always receives a high volume of legal questions in advance of Town Meeting. Staff respond to inquiries as quickly as they can, but know that during this time it may take longer than the usual 24-48 hours. We encourage you to submit your questions as early as you can. Please use the "priority" option when you submit an inquiry through the [Ask A Question](#) page. If you have an urgent legal matter and have yet to receive a response from MAC, please contact your municipal attorney.

Thank you for your patience. If you're able to, please help us help you. Submitting your question through the [Ask A Question](#) page logs your inquiry in our system and allows staff to spend more time responding to questions.
