PACIF was proud to sponsor the grand prize at this year's Vermont Municipal Equipment Show and Field Day (aka the Plow Rally): two sets of 11-foot rounded cutting edges.

The Town of Westminster was the grand prize winner at the event, which took place on May 6 in Barre. The Westminster Highway Department plans to use the cutting edges on their wing plow during the fall and spring, when softer road conditions can lead to increased wear on both roads and equipment.

In a generous gesture, Westminster decided to share the prize by donating the other full set of cutting edges to the Town of Putney.

Congratulations to Westminster! (and Putney!)
