Current as of: 11/1/2026

The installation, construction, or reconstruction of infrastructure that will serve a public good and fulfill the purpose of the program; and the funding of debt service interest payments, or other financing, for a period of up to four years, beginning on the date on which the debt or other financing is first incurred. Improvements do not need to be within the Housing Development Site, but the applicant must demonstrate that the proposed improvements enable the proposed housing development.
