

**What is required for the
notice of the Housing
Infrastructure Project
public hearing(s)?**

Unless a municipal charter requires greater notice, the municipal Legislative Body must post the notice at least 15 days in advance of the hearing in at least two public places within the municipality and in the clerk's office and on the municipality's website. If the municipality does not have two public places to post their warning, it may post its warnings in adjacent communities. The Housing Development Plan and a Housing Development Site plans must be available for review by the public when the notice is published.
