VLCT's Years of Service lapel pins recognize the dedication of Vermont's local officials and municipal staff.

If you have served in Vermont local government for at least five years, either as an elected or appointed official or as a municipal staff member, you are eligible to receive a Years of Service pin. Each pin marks the number of years you have served and celebrates your ongoing commitment to your community.

To request a pin, simply fill out the form below to let VLCT know the year you began serving in local government. Pins are available beginning at five years of service, and you may request a new pin at each ten-year milestone.

Wear your pin proudly as a visible reminder of your service to Vermont's municipalities.
