Apply to Serve on the Opioid Settlement Advisory Committee

If you or another municipal official you know are concerned about the continuing effects of opioid use in Vermont communities and how to mitigate them, please consider helping to advise state officials in finding effective ways to spend settlement funding. VLCT is accepting applications from Vermont municipal officials to fill **two openings** on the state's [Opioid Settlement Advisory Committee](#).

The committee advises the governor, the Vermont Department of Health, and the General Assembly on **priorities for spending money from the Opioid Abatement Special Fund**. Its work helps guide investments in Opioid Use Disorder (OUD) prevention, intervention, treatment and recovery services, and harm-reduction strategies.

Complete the form below to be considered for appointment.
