New Vision Coverage

Carrier for VLCT Members

The Vision employee benefit program that VLCT offers its members will be transitioned from EyeMed to DeltaVision beginning in 2026 – for coverage effective January 1, 2027. DeltaVision is a comprehensive insured vision product offered through Northeast Delta Dental, which has partnered with EyeMed to provide this coverage.

The benefits of this change from EyeMed to DeltaVision include:

- **Ease of transition**: All three of our current EyeMed plans will be automatically mapped to their corresponding DeltaVision plans.

- **Competitive pricing**: Along with a four-year rate guarantee, this program will provide overall net savings to members and their employees.

- Nearly 12% average savings for the DeltaVision plans that correspond to our current Options 5 and 6 (the Packaged and Voluntary Standard plans).

- Almost 7% average savings for the DeltaVision plan that corresponds to our current Option 7 (Voluntary Enhanced plan).

- **The same account management for both Dental and Vision**: Members that are in VLCT's Dental program will no longer need to deal with a separate entity for our Vision program.

- **Administrative ease and better invoicing**:

- The same eBilling portal and paper billing format for both Dental and Vision coverage.

- The same Group Admin Portal to enroll, change, or terminate coverage for dental and vision plans.

- Lower employer-paid contributions required for the DeltaVision contributory plan: only 50% of the employee-only rate (whereas the current equivalent, EyeMed Option 5-Packaged, requires 100% payment by the employer or 100% participation by all employees).

We are excited to embark on this new opportunity for Vision coverage for our VLCT members and employees in large part because Northeast Delta Dental is a longtime, trusted VLCT partner whose excellent and cost-effective benefits VLCT members have enjoyed and relied on for many years. If you are attending Town Fair on October 7, you can learn more about DeltaVision by finding Kelley Avery out & about or Sarah Thayer at the Northeast Delta Dental exhibit booth.

Access the new plan information and the enroll/change form through **vlct.org/vision** (opens in a new tab), VLCT's Vision Insurance overview page.
