Complete Claim Consists of at Least Three Pieces of Required Information

1. [Group Term Life Insurance Claim Form](#) (obtained online or from the deceased's group)

The paper claim form includes a portion for both the group and beneficiary(ies) to complete. If the form is completed electronically, the form has been split into two separate forms (one for the group and one for the

beneficiary).

If there is more than one beneficiary, each one must complete the beneficiary portion on the form.

2. An original certified death certificate (copies not accepted)
3. A copy of the most recent [beneficiary designation](#) form

This form was completed by the insured prior to their death. It indicates who they wanted their Group Term Life benefits to be paid to. The group should have this document on file.

In Addition to the Required Documents, the Following Items May Also Be Required In Order to Process an Application for GTL Benefits

1. A copy of the deceased's timecard or attendance record from their group unless disabled prior to the date of death, or retired; and
2. If the insured was on a paid or unpaid leave of absence, a statement from the group documenting this fact, and
3. A copy of obituary, if available.
4. If the death was a result of an accident, an official copy of the accident report should be submitted.

To aid in efficient claim processing, complete the form and send it to MNL with the other required documents noted in the instructions.
