Municipal Assistance Center Training

VLCT's Municipal Assistance Center offers live and pre-recorded online training. Please visit the Bookstore to view and purchase pre-recorded trainings. Check the Events Calendar to see upcoming live webinars.

PACIF Learn

PACIF encourages its members to use PACIF Learn to help train employees consistently and accountably. Courses explain a variety of safety and personnel-related topics. Individual employees can log in at any time, take classes at their own pace, and easily review their progress. Employers can assign courses (by department if desired), track employees' progress, print reports, create custom courses, and keep track of employees' certifications as well as courses taken outside the Learn environment. Some courses can earn Continuing Education Units (CEUs) toward Vermont state Water and Wastewater Operator certifications.

Larger municipalities will want to designate a staff person as their PACIF Learn site administrator.
