

VLCT's

**Risk Management Services** 

department (RMS) operates PACIF and VERB, the two non-profit, member-owned risk-sharing trusts established by VLCT members to meet their particular insurance needs.

With VLCT, even the smallest of Vermont's municipalities has access to a unique combination of coverage and services, many of which can only be garnered by a large group. Under the direction of their respective Boards of Directors, VLCT's trusts are operated by staff who are not only experienced professionals: they also understand the distinct operations and risk exposures of Vermont municipal entities and are truly dedicated to serving members.

See the advantages of municipal risk-sharing in our Power of Pooling summary.
