Legal Training

For VLCT & PACIF Members

VLCT MAC staff members are available to deliver onsite training workshops to municipal officials in their own offices across the state. Workshops usually last two hours and can be delivered in place of a local board or commission's regularly scheduled meeting. Neighboring municipalities can also join together to schedule one workshop for both boards. Learn more about MAC small group training. (opens in a new tab)

Loss Control Training

For PACIF Members

PACIF Loss Control Consultants have a wealth of knowledge to help municipalities reduce risk at many levels. Visit the In-Person Loss Control Trainings page to learn more.
