

Legislative Policy Committees

The [VLCT Municipal Policy](#) guides the actions of the board of directors and the advocacy staff in the Vermont Legislature and at the federal level as needed. The policy committees review the municipal policy and recommend revisions in anticipation of the ensuing legislative biennium. Every other year, in the early fall at VLCT's Annual Meeting the policy is discussed, amended as necessary, and approved by all voting members. The committees may also convene to address specific policy proposals or legislation throughout the session. The current committees are:

- FAIR (Finance, Administration, and Intergovernmental Relations)
- Transportation
- Public Safety
- Quality of Life and Housing
- Environment

Policy committee members are municipal officials who have an interest in and a level of knowledge of the policies that the committees review. The VLCT board appoints members to the committees. If you want to join a policy committee, please notify Advocacy staff or fill out the form below.
