

Third Annual Southern Vermont Economy Summit

The Third Annual Southern Vermont Economy Summit, scheduled for **Thursday, May 23, 2019**, in Dover, Vermont, will feature 12 sessions on a diverse range of topics, some targeted to business leaders, entrepreneurs and employers, others targeted towards those interested in community vibrancy and regional economic health. There will be sessions on workforce, import/export of goods, succession planning, financing community projects, strategic investment in infrastructure, and stories of regional economic development efforts. The \$75 registration cost includes the reception, lunch, and refreshments.

An agenda and registration information are available [here](#) [1].
