Weekly Legislative Report 2019 No. 12

Access to Broadband. On Tuesday, the House overwhelmingly passed H.513 – a bill that would address the lack of broadband access in Vermont, particularly in rural areas – by a vote of 139 to 2. The House Energy and Technology Committee recognized that the health and safety of Vermonters is at stake when they do not have access to adequate (or even any) broadband service in their homes, public places or businesses.
