### David Gunn

Senior Communications and Administrative Associate

[dgunn@vlct.org](mailto:dgunn@vlct.org) <sup>[1]</sup>

David Gunn is responsible for editing many of VLCT's publications, including the *VLCT News* and the *Weekly Legislative Report*, and for helping to keep the VLCT website alive and well. If, for example, you want to post a classified ad on the website or in the newsletter, he's the person to contact. David has been with VLCT for so many years that he's lost count. He works part time now because he spends his other life as a music composer and published author.
