Lisa is responsible for coordinating the logistics of all VLCT events and trainings. She has worked as the Conference Coordinator since 2012 and especially enjoys interacting with members in person at events. She is in charge of VLCT’s annual conference, Town Fair. Planning for the event goes on for much of the year, and Lisa is always available to answer questions from exhibitors and attendees.

As administrative liaison for several of VLCT’s contract groups, Lisa helps field inquiries about the Chiefs of Police Association, Green Mountain Water Environment Association, Vermont Town and City
Management Association and the Vermont Drinking Water Week Committee.

Fun Fact: Lisa grew up on a dairy farm in southern Vermont. Her first job was milking cows.
