Jill George

Senior Business Analyst
jgeorge@vlct.org [1]

Jill is responsible for performing business analysis activities for Risk Management Services, particularly in the areas of software utilization, reporting and analysis. She joined the Administrative Services team in 1997 and soon moved into Information Technology. In 2016, she became VLCT’s very first Business Analyst. She especially loves scripting data queries and finding solutions that enable staff to work better.

Fun Fact: Jill loves climbing peaks in Vermont’s cold winters.
Education

- B.A., Comparative Literature, University of California, Santa Cruz
