Resources

The Municipal Assistance Center team has created a number of resources to assist municipal officials in the legal and practical fulfillment of their duties. Templates, model documents, Frequently Asked Questions, Quick Guides, and guidance on a wide range of municipal topics are delivered for free to members of VLCT. Check out our MAC programs, services, and topics pages for featured resources or search in the new [VLCT Resource Library](#) [1]. You can filter by resource type, topic, and/or department.

Publications

The Municipal Assistance Center staff creates publications for members on a host of topics. Go to the [VLCT bookstore](#) [2] to view our current products.

- Handbooks
- Survey Reports
- Posters
- Annual Municipal Calendar
