2019 04-24 Testimony: PUC's Draft Rule 5.100 and Net Metering

On April 24, 2019, VLCT Advocacy submitted a letter to the chair of the House Energy and Technology Committee regarding testimony on the Public Utility Commission's Draft Rule 5.100, which would limit opportunities that local governments have to weigh in on proposals for renewable energy projects.

Click the link below to read the letter.
