Paying for Stormwater: The Benefits of a Municipal Utility to Help Fund Stormwater Management

This publication, funded by a grant from the Vermont Department of Environmental Conservation, Clean Water Initiative Program, is meant to help municipalities interested in the idea of establishing a stormwater utility to help manage water quality and water quantity issues.

The Vermont League of Cities and Towns Municipal Assistance Center offers professional assistance for municipalities seeking to promote comprehensive water quality and water resource protection. For more information, please contact Milly Archer, Water Resources Coordinator, at marcher@vlct.org [1] or (800) 648-7915.
