Trainings Postponed

In light of concerns about COVID-19, the Vermont League of Cities and Towns has made the decision to postpone all trainings at this time. Our webpage still lists the trainings we intended to hold. We'll update those as virtual trainings get scheduled and in-person trainings get rescheduled. Please contact Lisa Goodell at lgoodell@vlct.org if you have any questions.

A large yellow rectangular banner with horizontal lines, serving as a background for the text.
