Mutual Aid Agreement Between Municipalities SAMPLE

To facilitate members' emergency planning VLCT is providing this sample agreement as a way to record and formalize agreements for sharing specific resources or services with another municipality. It was written to accommodate a wide range of situations, so we urge users to read it and customize it carefully and appropriately.

VLCT members with questions about using this sample agreement are welcome to call 800-649-7915 and speak with an Underwriter for more information.
