Accessing Local Fiscal Recovery Funding

VLCT leadership and representatives from Vermont's Regional Planning Commissions discuss how to use the State of Vermont's Local Fiscal Recovery Funding portal, how to prepare to use the portal, and what to expect next. This webinar includes:

- an overview of the portal, including what questions you'll be asked to answer
- information on appointing an authorized representative to use the portal
- an analysis of the federal rules your community will need to agree to
- updates on how much funding your community will receive
- the latest on how the funding can be used
