Shine a light on your salary and budget process with the *2021 Vermont Municipal Compensation and Benefits Report*. You'll find current payroll data along with important contextual information – provided by your helpful municipal peers across the state and organized by VLCT. Using this resource as you make decisions can help improve your recruitment and retention as well as your bottom line.

Members that answered the 2021 survey ("Respondents") have already received digital access and one bound print of the report, so ordering here is only for extra prints. If your municipality is listed below, you might want to check first with the town clerk or a member of the governing body before ordering an extra here.

Non-respondents and non-members: Each purchase provides one bound print and access to digital downloads in both Excel and PDF formats. **Only members in the list below responded to the 2021 survey and may order a "Respondent" copy.** All others must order as a Non-Respondent or Non-Member.

Printing and binding services courtesy of [Minuteman Press](#) [2] of Montpelier and Colchester.
