ARPA Funds: Take Your Time and Think Big

Local leaders are starting to weigh opportunities for using ARPA funding to make forward-looking investments in your communities. This webinar gives governing board members, city and town managers, town administrators, town clerks and treasurers, and finance managers access to the top state officials who are responsible for the most municipally relevant portions of the State of Vermont's \$1 billion in ARPA funds.

Presented in partnership with the State of Vermont and your eleven Regional Planning Commissions.

Agenda & Presenters

Water, Wastewater, and Stormwater – Agency of Natural Resources Secretary Julie Moore

Broadband – Public Service Department Commissioner June Tierney

Brownfields, Better Places, VHIP/Housing, and more – ACCD Department of Housing and Community Development Commissioner Josh Hanford

Affordable Housing – Vermont Housing and Conservation Board Executive Director Gus Seelig or Housing Director Jenny Hyslop

Weatherization and Housing Assistance Program – Vermont Housing Finance Agency Executive Director Maura Collins
